GLOBAL START
INTERNATIONAL STUDENT INTRODUCTION TO UCSC

2018 FROSH PROGRAM
September 17-20, 2018
Dear International Students,

It is my great pleasure to welcome you here to UC Santa Cruz, where we hope you will make yourself at home for the next few years. Ours is a beautiful campus, where you’ll be surrounded by sky-high redwood trees and sweeping views of the bay and of the Pacific beyond.

Together with my colleagues at International Student & Scholar Services (ISSS) and the Division of Global Engagement, I am thrilled that you’ve chosen to come here. We’re here to help you, from your first days and move-in to your graduation, employment, and beyond. Please know that all of us at ISSS are here, especially now as you adjust into your new lives in the US and in Santa Cruz. Feel free to reach out to us by email or in person if there’s anything that you need.

You are part of a group of more than 1,700 international students, from approximately 50 countries around the world, and it is the diversity you bring to our campus that makes it such a welcoming place. We hope that you will thrive here on campus, participate in our many activities, grow, and learn.

It is the goal of this orientation to help you transition to your new life, a life that we look forward to being a part of. I once again offer my most sincere welcome, and I look forward to meeting all of you new “banana slugs” in the coming weeks.

Warmly,

Frank Calabrese, Esq.
Director, International Student & Scholar Services
Division of Global Engagement
